Erratum: Developing services for long COVID: lessons from a study of wounded healers

Authors: Emma Ladds, Alex Rushforth, Sietse Wieringa, Sharon Taylor, Clare Rayner, Laiba Husain and Trisha Greenhalgh

This article was originally published as a paper in the special section on functional disorders in the January 2021 issue of Clinical Medicine. It should have been published as a standalone original research paper, and this has been corrected in the online edition of the journal. The editor-in-chief and editorial office apologise for this error.
