

Clinical Medicine

Volume 5 January–December 2005

Subject Index

- α₁-antitrypsin deficiency and the serpinopathies (Lecture), 249
- Alcohol-related harm, 154
- Antidepressant medication
 - following acquired brain injury (Clinical guidance), 268
- Assisted dying: considerations in the continuing debate (Editorial), 543
- Audit, assessment or performance management? (Editorial), 7

- Blackouts, management of, and misdiagnosis of epilepsy and falls (Conference report), 514
- Bowel problems in older people, an update, 289

- Cancer, genetic predisposition to, 491
- Cardiac amyloidosis, 504
- Cardiovascular disease, prevention of
 - should surrogate measures of drug therapy be abandoned? 282
 - surrogate measures of drug therapy should be abandoned, 287
 - whose task and WHO's task? (Lecture), 379
- Cerebration, in celebration of (Lecture), 589
- Chronic kidney disease
 - facing an epidemic of (Conference report), 521
 - identification, management and referral of adults (Clinical Guidance), 635
- Clinical governance
 - making it work, 122
- Clinical pharmacology
 - adjusting therapeutic dosage regimens to optimise benefit (CME), 16
 - adverse drug interactions (CME), 19
 - anticipating, preventing and investigating medication errors (CME), 12
 - anticipating, investigating and managing adverse effects of drugs (CME), 23
 - rational prescribing: principles of drug selection and assessment of efficacy (CME), 26
- Clinical practice
 - frustrations in (Editorial), 429
 - uncertainty in (Editorial), 197
- Clinical research
 - in the NHS (Editorial), 5
 - over-regulation of, 33
 - academic, 39
- CME sections
 - clinical pharmacology, 16
 - dermatology, 551
 - haematology, 322
 - intensive care medicine, 431
 - rheumatology, 207
 - sleep, 97
- Consultant contract: marriage or divorce?, 585
- Conversations with Charles
 - cannabis – the right decision but the wrong way to go about it?, 85
 - everyone a patient? Beware the *Commoveamus* effect!, 665
 - habilitation in practice, 189
 - hands, and foot and mouth disease, 533
 - what is wrong with the Body Mass Index?, 301
- Coronary syndromes, acute (Conference report), 406
- Coroner system, commentary on review of, 455
- Cushing's syndrome
 - new target in treating metabolic syndrome – 11β-hydroxysteroid dehydrogenase type 1, 142

- Diabetes, and molecular genetics (Lecture), 476
- Digestive endoscopy in five decades, 614
- Dementia, 396
- Depression, pain symptoms in, 390
- Dermatology
 - acne: current treatment (CME), 569
 - atopic eczema: a modern epidemic (CME), 559
 - basal cell carcinoma (CME), 551
 - modern management of psoriasis (CME), 564
 - toxic epidermal necrolysis and Stevens-Johnson syndrome (CME), 555
- Doctors and managers
 - a shared agenda (Conference report), 510
 - building a new relationship, 577
- Drug misuse: review of treatments, 69

- Emergency medicine (Conference report), 173
- Emergency patients, impact of weekends on outcome for, 621
- End-of-life issues in renal medicine, 643
- Environment
 - healing (Editorial), 197
 - healing, research excellence into practice (Conference report), 296
 - social, and health (Lecture), 244
- Ethics in practice (Editorial), 315
- European Union
 - health implications of an expanded, 385
- Euthanasia
 - erosion of trust? (Editorial), 93

- GP contract, implications of new, 50
- Glomerulonephritis (Lecture), 264
- Gout, 396

- Gulf War veterans
 - results of investigations, 166
- Haematology
 - acquired bleeding disorders (CME), 326
 - bone marrow failure syndromes (CME), 332
 - haematological manifestations of systemic disease (CME), 322
 - myeloproliferative disorders (CME), 328
 - strategies for reducing exposure to donor blood (CME), 337
- Healing environment (Editorial), 197
- HIV/AIDS in transitional countries of eastern Europe and central Asia, 487
- Hours of duty, restricted
 - for resident medical officers in New Zealand, 650
- Information Laboratory (iLab)
 - breaking cycle of poor data quality, 47
- International educational partnerships
 - for doctors in training, 133
- International medical graduates
 - applying for first post in UK, 126
- Intensive care medicine
 - acute renal failure on the intensive care unit (CME), 435
 - clinical trials in sepsis (CME), 431
 - critical care outwith the intensive care unit (CME), 449
 - recent advances in mechanical ventilation (CME), 441
 - weaning from mechanical ventilation (CME), 445
- Long Term Conditions, National Service Framework for, 203
- Mental capacity
 - assessment of, 580
- Migration of healthcare professionals
 - practical and ethical considerations, 240
- Munchausen's syndrome, a visitor with, 400
- Neurology
 - plasticity and functional recovery in (Lecture), 368
- Nutrition, who cares? (Conference report), 75
- Pain and attention (Lecture), 482
- Palliative medicine for the cancer and non-cancer patient, 626
- Pharmacopolitics and deliberative democracy (Lecture), 471
- Physician assistants, in the UK, 344
 - role, training, assessment and regulation (Editorial), 311
- Population health
 - lessons from the former Soviet Union (Lecture), 374
- Porphyria for the general physician, 275
- Primary hyperaldosteronism,
 - assessed by aldosterone/rennin ration and spironolactone testing, 55
- Refugee doctors in the UK, plight of (Editorial), 317
- Renal medicine, end-of-life issues in, 643
- Research
 - translational: lessons from cystic fibrosis (Lecture), 258
- Research governance: panacea or problem? 235
- Resuscitation
 - framework for making advance decisions on, 354
- Revalidation, supporting
 - methods and evidence, 460
- Rheumatology
 - anti-tumour necrosis factor therapy in seronegative spondyloarthritis (CME), 219
 - beyond methotrexate: biologic therapy in rheumatoid arthritis (CME), 222
 - management of early rheumatoid arthritis (CME), 211
 - management of systemic sclerosis (CME), 214
 - osteoarthritis update (CME), 207
- Rights and responsibilities of patients and doctors, 499, 501
- Risk assessment in insurance
 - advances in medicine relating to (Conference report), 409
- Risk communication in the clinical consultation, 465
- Royal College of Physicians – ancient and modern, 646
- Satiety, secret of, 147
- Sex is dangerous (College lecture), 62
- Sleep
 - assessment and management of excessive daytime sleepiness (CME), 105
 - assessment and management of insomnia (CME), 101
 - driving and the workplace (CME), 113
 - parasomnias (CME), 109
 - performance and the European Working Time Directive (Editorial), 95
 - science of sleep (CME), 97
- Smoking
 - Going smoke-free: the medical case for clean air in the home, at work and in public places* (Editorial), 548
- Specialisation (Editorial), 541
- Stroke rehabilitation
 - research networks for, 42
