

COVID_Simulation_Pre-Survey

Start of Block: Block 4

Q12 This is the Pre-Session Survey for the COVID Simulation.

This is a simple survey designed to assess your starting point before the session and to identify the benefits, if any, of the session.

By completing this survey you are providing consent for the anonymised results of this session and evaluation to be used in BSUH & NHS communications in addition to in any publication of the work (e.g. poster or article).
