8. If you have not exception reported, or not exception reported every time you worked overtime, why was this?

Tick all that apply.

I was worried I might be seen as "slow" or not doing my job efficiently

I don't think it makes any difference

It takes too long to exception report

I don't know how to submit an exception report

I don't know how long is an acceptable length of overtime to exception report

I felt pressurised not to exception report

I don't like having to have a meeting with my consultant to discuss it

I have been told I can't get payment for it

I haven't yet been paid for any of my reports

Insufficient senior encouragement

The rest of my team doesn't exception report
